## Overdraft Protection Loans

An overdraft protection loan is a revolving line of credit that is attached to your checking account. If you accidentally overdraft your account, the overdraft protection loan will kick in. Avoid overdraft fees and the embarrassment of a declined debit card transaction due to insufficient funds. Apply for an overdraft protection loan today!

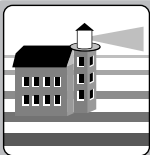

## Credit Union Reminder Dormant Account Fees

All accounts that have not been active for 2 years and have a balance less than \$100.00, will have a monthly \$5.00 dormant account fee assessed to the account until the account is either closed or active

again. All that is required to make an account active again is to conduct any sort of transaction on the account. If you have any questions or concerns, please contact the Credit Union.

# Jeans For Charity

Friday isn't just a casual clothes day; it's an opportunity for Credit Union employees to help the community. Every Friday, employees of Marquette Community Federal Credit Union pay \$1.00 to wear blue jeans as part of the Jeans for Charity program. Each quarter, the funds collected are donated to various local charities. Recently a donation was made to the Pigs in Heat charity held in March to help residents that have been displaced due to a fire. In the past donations have been made to The Salvation Army, St. Vincent DePaul, The Humane Society, and The Women's Center.
